STANDARD INCLUSIONS

At Marella Homes, our inclusions are chosen to make your home genuinely liveable from the start. Every selection is considered for how today's buyers use their spaces, from durable finishes to practical features that add real value.

MARELLA
HOMES

Fresh Design, Everyday Ease

Our Standard Inclusions set out everything that comes with your home.

This defined collection has been carefully considered to balance practicality with a modern finish. Each item is thoughtfully selected to deliver everyday reliability while keeping the overall look fresh and contemporary. From fixtures and finishes to the finer details, it's all included as part of one complete package.

By providing a clear and consistent standard, you can feel confident knowing exactly what's built into your home from the very beginning.
