

## Your Trusted NSW Builder

From the North Coast to Greater Sydney and the South Coast, Marella Homes is here to make building simple, transparent and stress-free.

No matter where you choose to call home, you'll be supported by a team that understands the unique requirements of every region and guides you from the first step to the finish line.

### Where We Build

**North Coast** – Coastal communities, hinterland estates, and growing townships.

**Greater Sydney** – From vibrant inner suburbs to expanding growth corridors

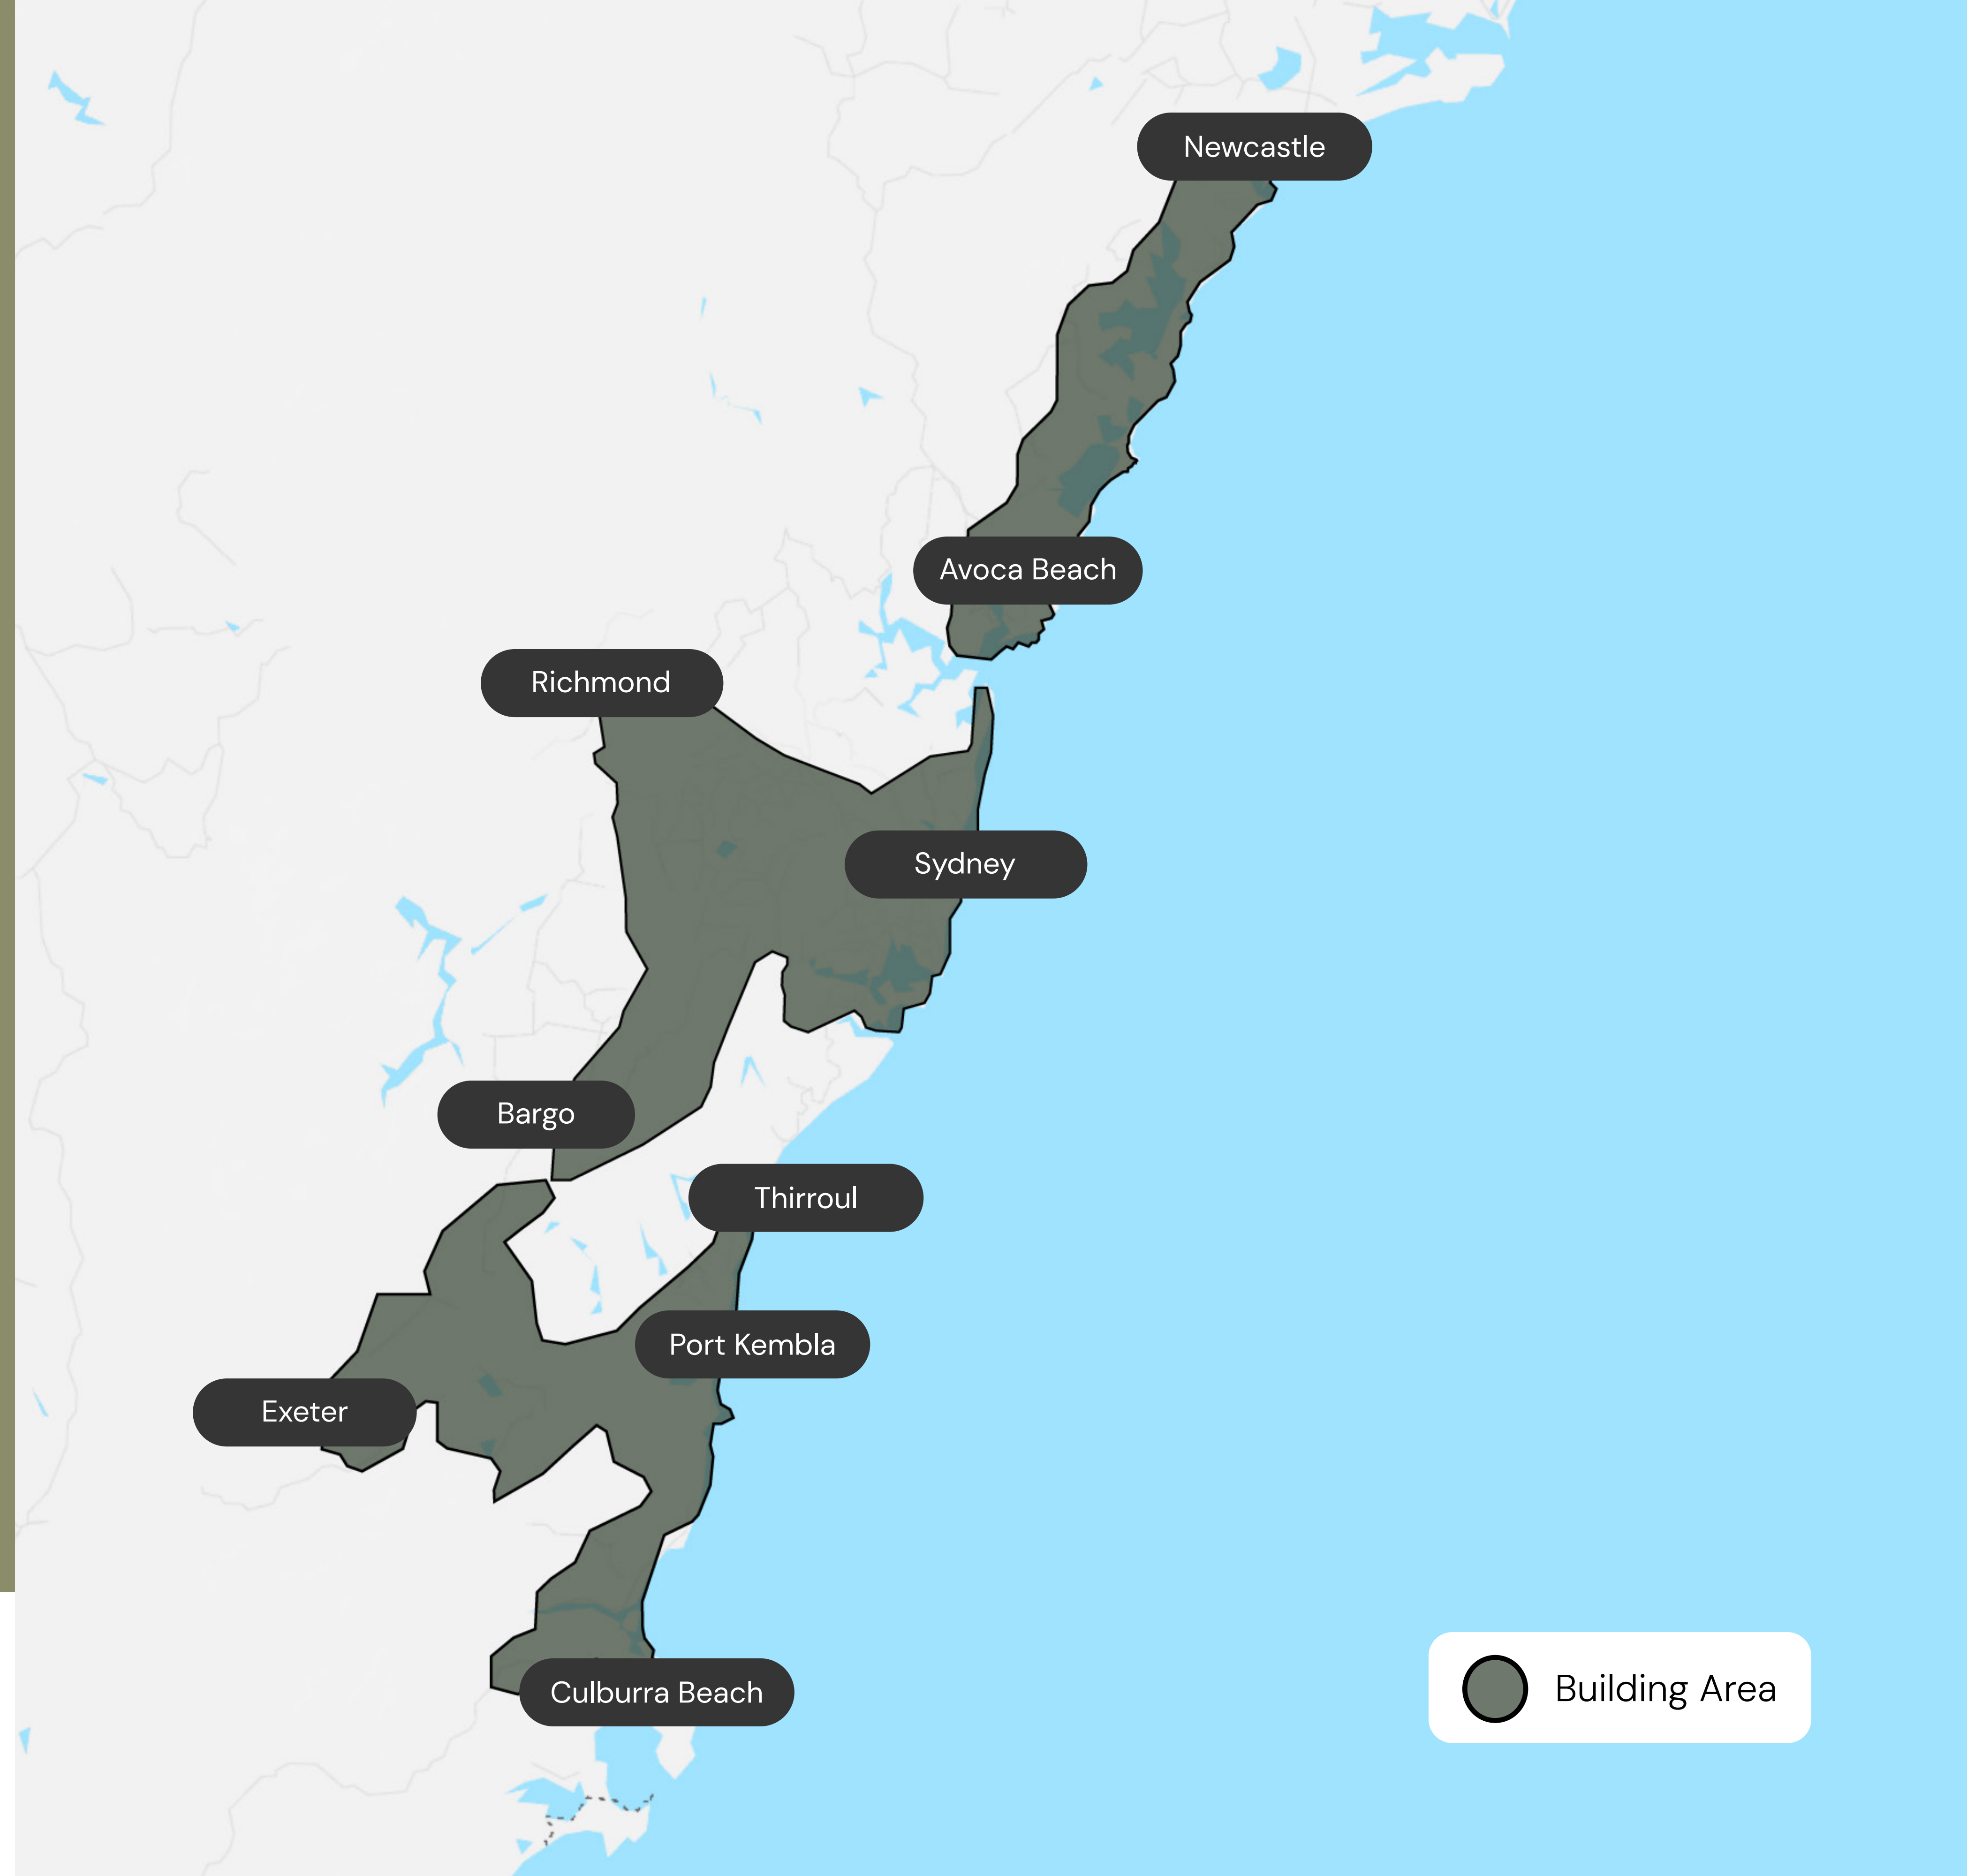

**South Coast** – Coastal towns, family-friendly estates, and relaxed lifestyle blocks.

# Build with Confidence Across the North Coast.

*Wherever* you choose to build, our expert team is here to guide you with clarity and care, from site inspection to council approvals and every step in between.

From coastal suburbs to leafy hinterland blocks, we know the **North Coast** and the unique opportunities it offers for your new home.

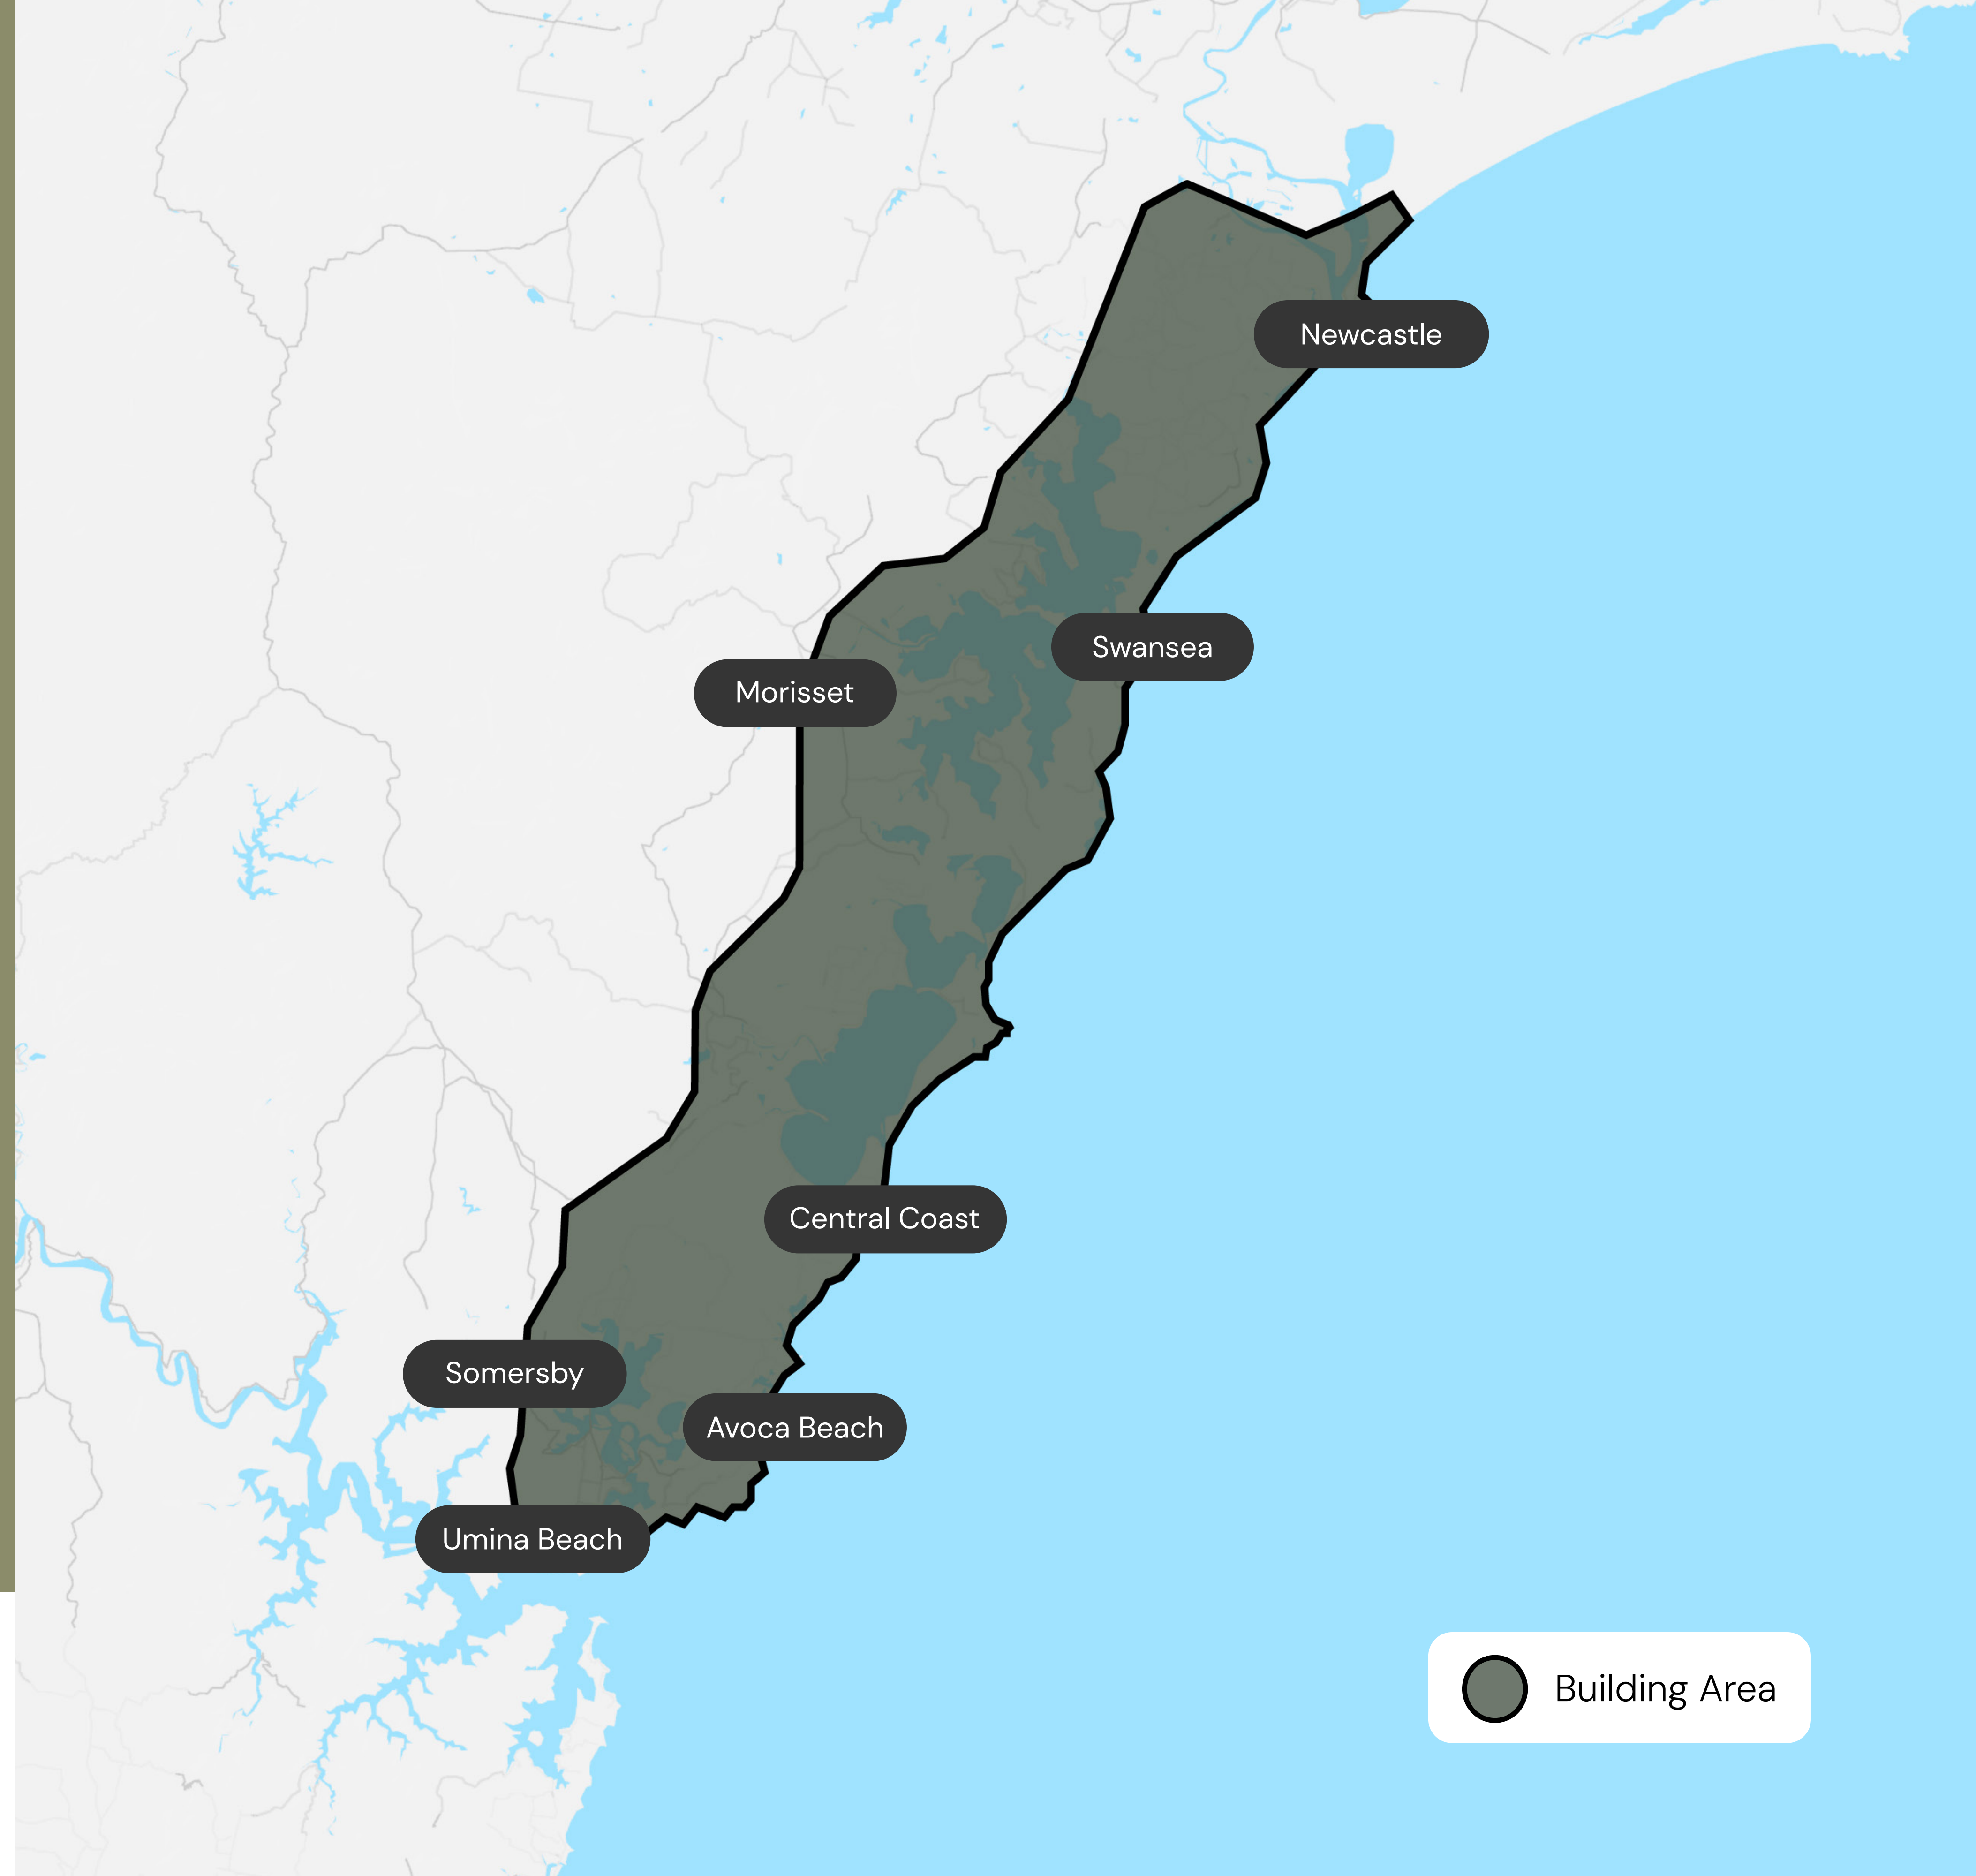

*If you're outside of the suburbs indicated on the map, reach out as we may still be able to help.*

# Building Made Simple in Greater Sydney.

*Wherever* you choose to build, our expert team is here to guide you with clarity and care, from site inspection to council approvals and every step in between.

Whether it's a new estate on the outskirts or a rebuild in an established suburb, we simplify the Sydney building journey so you can focus on your future home.

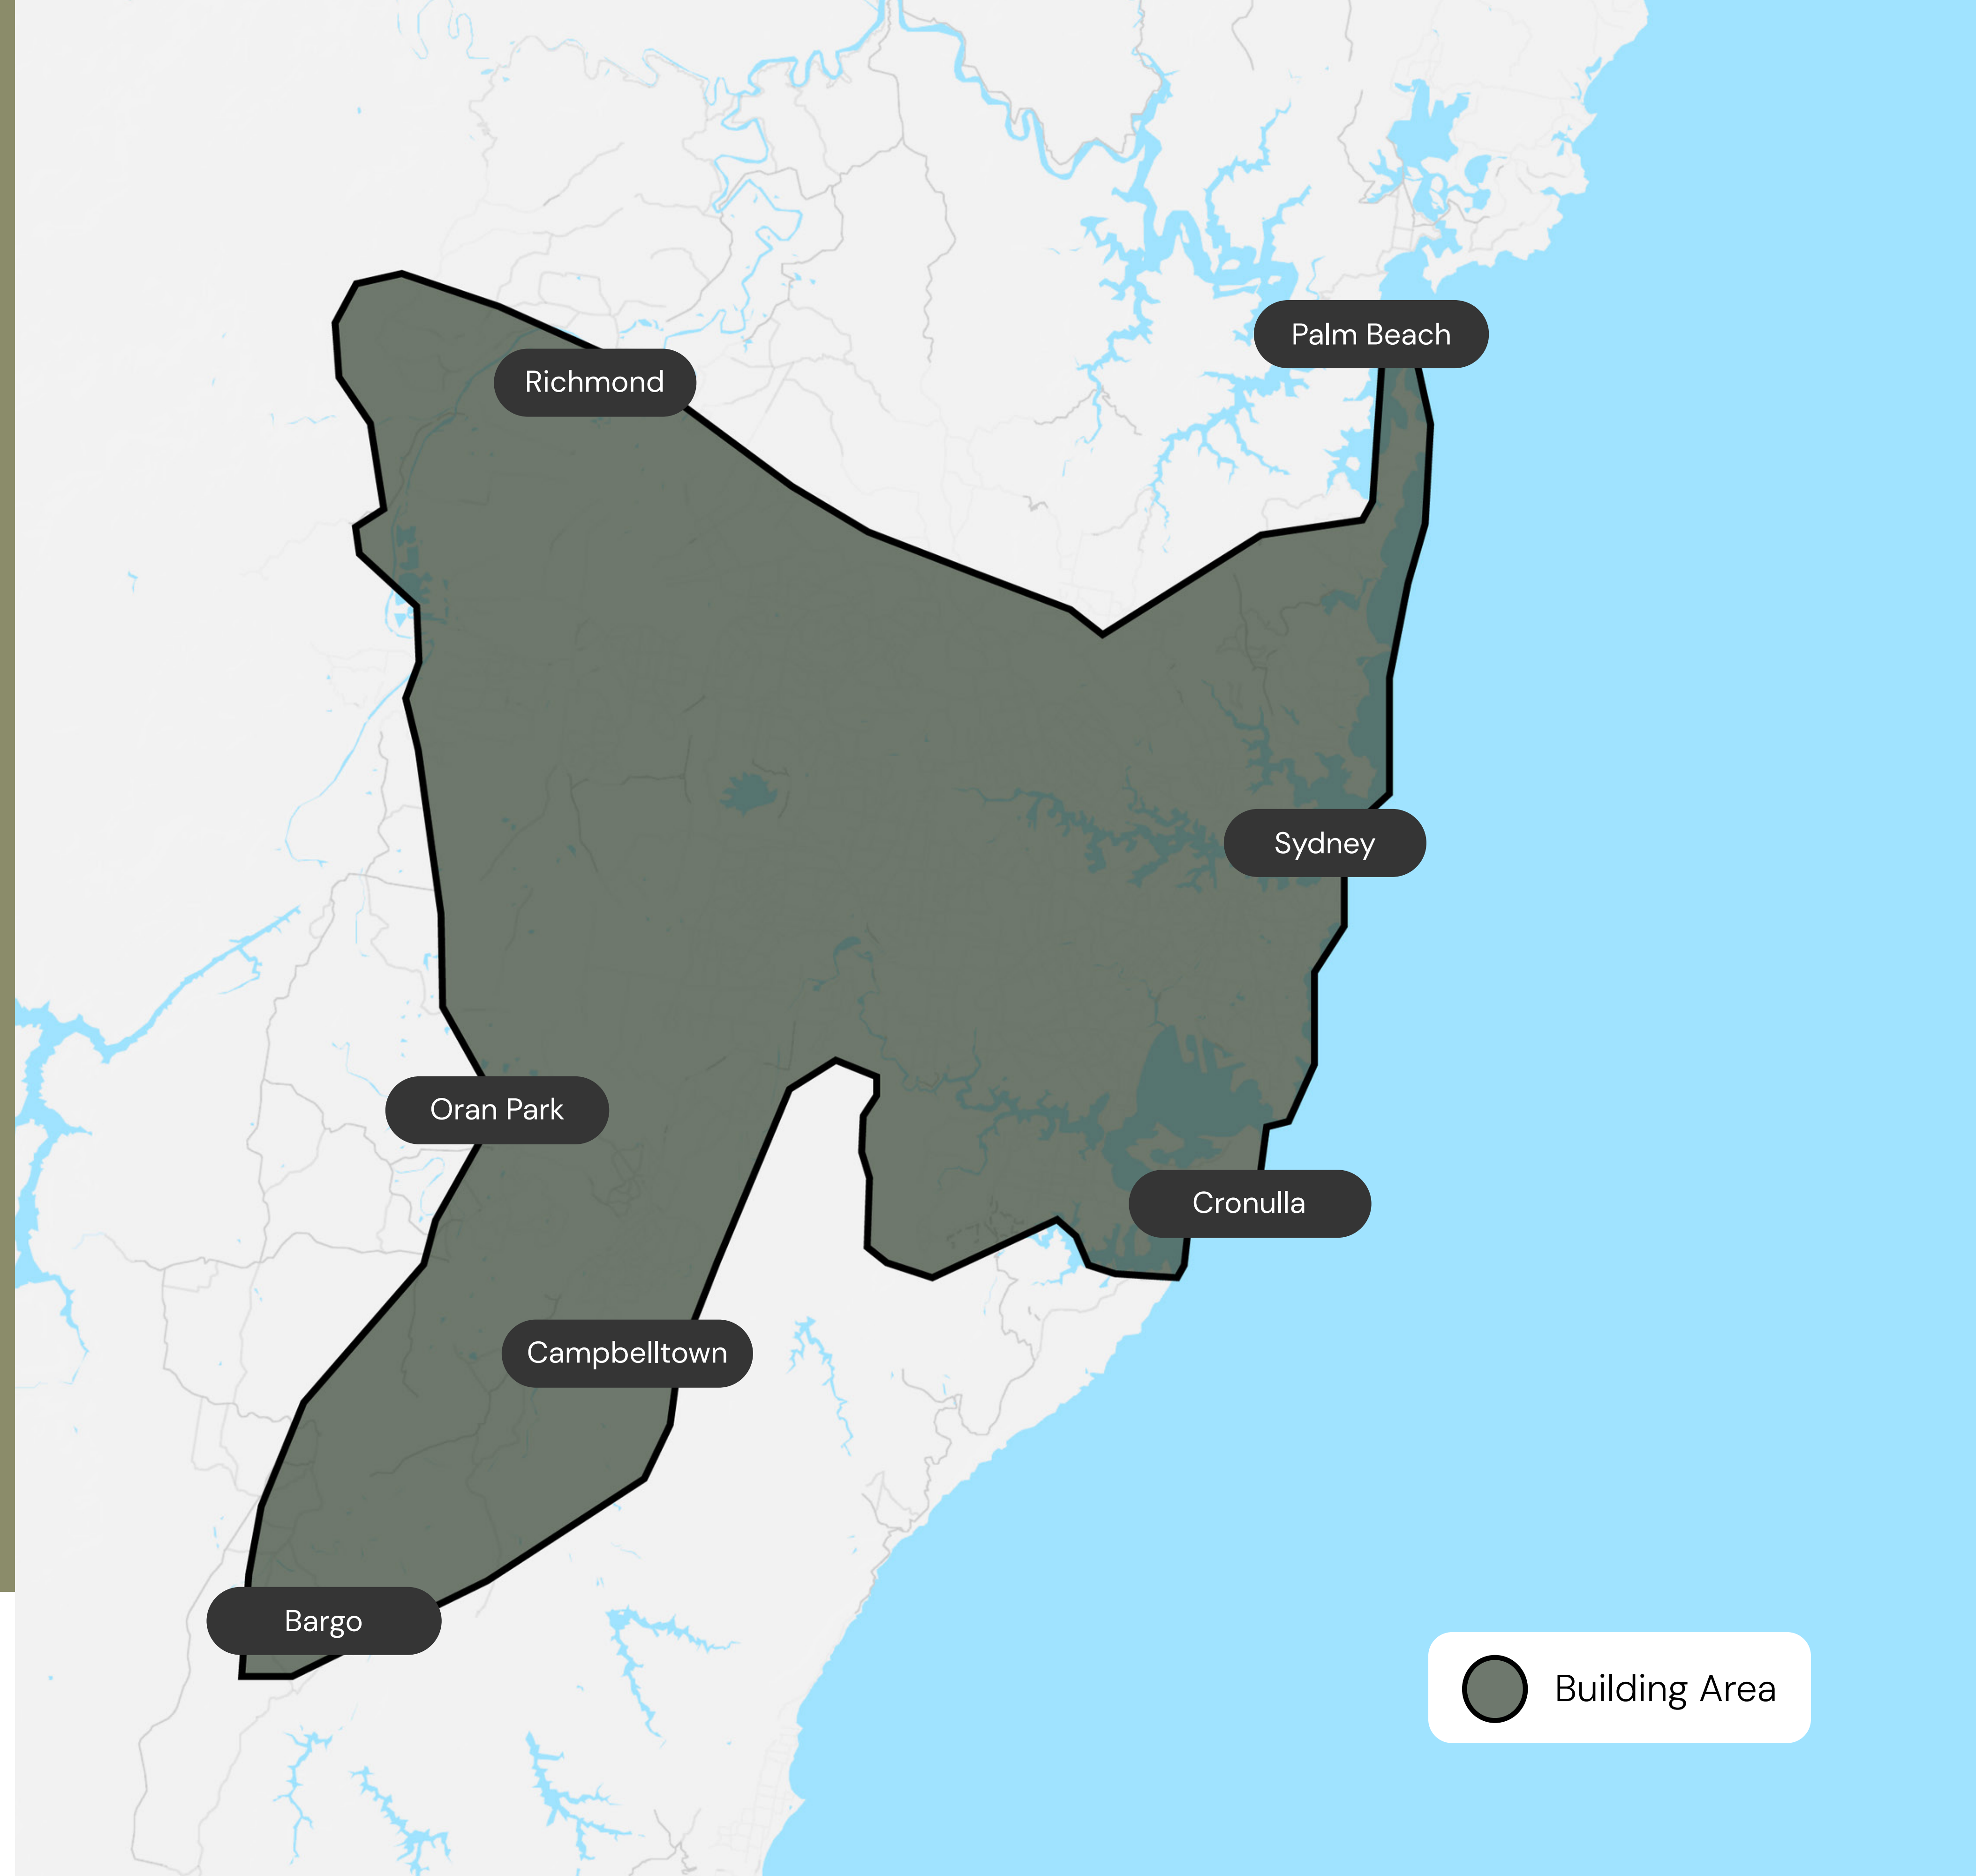

*If you're outside of the suburbs indicated on the map, reach out as we may still be able to help.*
